

JEANE'S bacteriating fate is sadly related in the silly little ditty below:

To the memory of Jeane,
Who is no longer.
She could have been righter
But not any wronger.
She took Dean's test
But, alas—in vain;
Now she needs a rest,
'Cause she's insane!

A FELLOW from Roby was giving us the low-down on advantages of a little town.

"A hick town," he declared, "is a place where, if you see a girl dining with a man old enough to be her father, he is."

WITTY-CISMS was the pert heading on the three little squibs below which we lifted from the Santa Fe Railway magazine:

The seven ages of a woman are her right age and six wild guesses.

The man was feeling badly. He was worrying because he had just lost 110 pounds. She was a blonde. Government should be like your stomach. If it is working right, you don't know you have it.

WASHING cars and dogs have some things in common—each uses water and energy. Otherwise . . . but let Richard Amour say it for us . . .

The difference here is quite a lot. For dogs don't streak and dogs don't spot. While cars, unlike our soggy Rover, Don't shake and get you wet all over!

THE ANSON cotton grower was telling the story about the two boll weevils who grew up together. One worked hard and got to be a "big shot," the other didn't, and remained the lesser of two weevils.

IT HAPPENED the other day as the bus was leaving the Hamlin terminal.

Everybody could see that the couple had quarreled the moment they entered the bus. The woman stared in front of her. The man sat glowering at the conductor.

Suddenly there sounded the woman's angry voice. "If it wasn't for me y'd be the biggest fool in town!"

Then for the first time the man grinned and the other passengers joined with him.

TWO fellow townsmen were discussing their respective churches.

"We have a swell new minister," said one. "You ought to hear him pray."

"Better than the last one you had?"

"Yes, indeed. Why, he asks for things the other minister never knew the Lord had!"

ONE HAMLIN man who is blessed with a plump better half (or three-quarters) was relating to a friend that his wife's reducing exercises were an interesting aspect of his daily life.

"You know, my wife is trying to reduce. Would you believe it, this morning, without bending her knees, she touched the floor with her chin!"

"How'd she do that?"

"She fell out of bed," explained the husband.

STATISTICS and research prove that surprises come where we least expect them. As strange as it may seem, there odd facts have been proven:

About 25 per cent of bodily energy is used in seeing.

Jumping the rope strengthens fallen arches.

The average United States business man dies six years sooner than his employees.

More than 17 per cent of U. S. males never marry.

Hunger is one of the commonest causes of anger.

A U. S. president signs his name about 160,000 times a year.

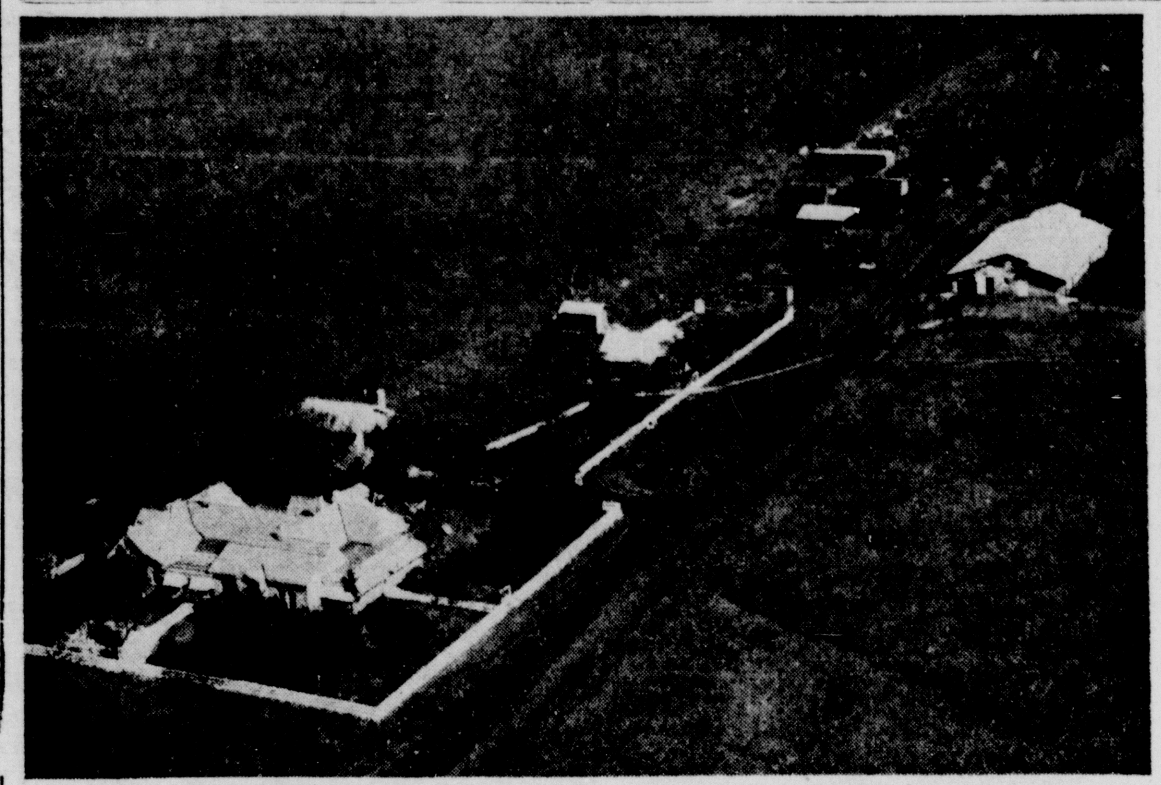

THE SAGE OF ROTAN has come up with an observation on the facts of life after a lot of experience. We are prone to believe that he has something. He declares:

It's all right for a young fellow to sit in the dark and tell a girl a story—provided he can hold his audience.

ANOTHER IN THE SERIES of Mystery Farm Pictures being run by The Herald is shown above. First person, other than the owner and his family, to correctly identify the view will be given a one-year subscription to Your Home Town Paper. In order to give readers of the paper living on the rural routes an equal chance at the identifying, no answers will be accepted before 1:00 p. m. Friday, either in person or telephoning to the paper office. The original aerial picture will be presented to the owner by The Herald.

Herman McBride Named to City Council in Weak Voting

Only 30 Ballots Polled in Special Election Tuesday

Hamlin voters did the usual American thing Tuesday when most of them stayed away from the polls because there was no contest involved.

Nevertheless 32 voters did go to the city hall and cast their unanimous approval for L. H. (Herman) McBride, as the new member of the Hamlin City Council.

Election Judge J. E. Patterson said not a ballot was scratched, and every one cast was legal. He was assisted in holding the election by Mrs. C. C. Prater and Mrs. Charles Lovell.

McBride, a long time business man of the community, has been active in school, church and civic affairs.

The new councilman, who is not really new to the city's business group, having served for two terms from 1944 to 1947, will replace Delma Shelburne, who resigned the office last month before moving to Snyder.

McBride will take office next Tuesday evening at the regular monthly business session of the City Council.

McBride's term will expire in April, 1957.

Rev. W. A. Thomas Takes Pastorate Of Sunets Church

Rev. and Mrs. W. A. Thomas moved last week to Hamlin, where he accepted the pastorate of the Sunset Baptist Church located on Northwest Avenue D, across the street from Junior High School. They have no children.

Young Thomas surrendered to preach at the age of 24, and began his study for the ministry at that time. Finishing high school, he spent 10½ years in college and seminary work at New Orleans and Bogaloussa, Louisiana, Jacksonville, Marshall and Pineville, and is now attending Hardin-Simmons University at Abilene.

Officials of the church announce that a Woman's Missionary Auxiliary and a Men's Brotherhood have recently been organized.

The WMA meets every Tuesday evening, and the Brotherhood meets Thursday evenings following the first and third Sundays.

Church members declare they are looking forward to constructing a new building in the near future, to be located on the corner of Northwest Avenue C and Northwest Sixth Street.

MAYS HAVE VISITORS.

Mr. and Mrs. B. C. May had as their guests over the week-end his twin sister, Mrs. J. B. Sherley of California; his sister, Mrs. Elmer Barbee of Post; his brother, George May; his nephew, Clifton Sherley, and Jeraldine Cooper of Lubbock.

Check for \$2,200 from National Polio Foundation to Help With Cuntly Cases

As a stopgap to meet this community's acute needs for funds to continue care of polio patients, a check for \$2,200 from March of Dimes headquarters in New York was received Tuesday by Jones County chapter of the National Foundation for Infantile Paralysis.

"This money," explained L. E. (Gene) Prewit, chapter chairman, "is an advance supplied by chapters operating in the black. When it was realized that more than 1,200 chapters would exhaust the March of Dimes funds available to them, National Foundation headquarters called in funds from chapters which had surpluses."

Recognizing that polio respects no state or county lines, Prewit said, chapters with funds have willingly answered the distress signals of those operating in the red to insure the necessary care of polio patients.

North Side Singers to Meet at Dovie Sunday

Singers and song lovers of the Hamlin region are advised that the Jones County North Side Singing will convene Sunday afternoon at Dovie, five miles east of Hamlin.

Singing will get underway at 2:00 o'clock. Gayle Baize of Tuxedo is president of the group, who says everybody is invited.

Encouraging the "haves" to help the "have-nots," Prewit continued, is one way the March of Dimes assures that the lives and usefulness of polio patients everywhere in the country can be saved.

The check received Tuesday by the Jones County chapter will help meet long-overdue back bills for providing treatment and equipment for several polio patients in this area, he said. Prewit predicted that because of many of these patients will continue to need help, the chapter would be forced to ask for additional funds in the near future.

"The financial burden our chapter has had to assume is unfortunately shared with others," Prewit said. "Destitute National Foundation chapters will need an estimated \$8,000,000 from headquarters to meet patient care bills for the remainder of this year."

"Our present situation may be the lot of other communities next year," Prewit went on to say. "It is hoped that the money we have received can be returned to National Foundation headquarters from contributions to the next March of Dimes in January of 1956 for assistance to other chapters in need."

"Promise of the Salk vaccine is bright, but the full realization of that promise is for the future. As we in Jones County know only too well, polio isn't licked yet."

NEW MEMBER of the Hamlin City Council is L. H. (Herman) McBride (above), who was named to the post in a special election Tuesday. He will replace Delma Shelburne, who resigned last month when he moved to Snyder.

Young Storm Does Minor Damage in Sweep of Area

One Completion, One Wildcat Top Oil News for Week

One completion and one location for a new wildcat constituted the oil news for the Hamlin area during the past several days.

Texas Pacific Coal & Oil Company has completed its No. 5 Louella Patterson well, five miles west of Hamlin in the Round Top (Canyon) Field. Site is in Section 213, Block 1, B. B. B. & C. Railway Company Survey. No. 5 Patterson had a daily potential of 129.87 barrels of 40.4-gravity oil. Flow was through a 16-64-inch choke with packer set on the casing and 150 pounds tubing pressure from 72 perforations at 4,530-36 and 4,550-56 feet. Casing is set at 4,729 feet. Total depth of hole was 3,995 feet, plugged back to 4,589 feet.

Burt Drilling Company has set a location for a Jones County wildcat three miles east of Hamlin on the J. C. Culbertson place. With a proposed depth of 3,500 feet with rotary equipment, the test spots 2,000 feet from the north and 3,050 feet from the east lines of Section 5, G. H. & H. Railway Company Survey.

Hamlin Man Among 10 Indicted for Second Offense Drunk Driving

Harry T. Stapler of Hamlin was among the 10 men indicted by the Jones County grand jury for the 104th District Court, now in session at Anson, when the jury reported last week-end.

The indictments were the result of investigations made last week by the jurors, who included four from Hamlin. Three of the grand jurors are women, one of whom is Mrs. Holly Toler of Hamlin.

Among the eight men indicted on charges of second offense drunk driving were brothers, Clyde E. and James Alfred Bartley Jr. of Haskell. The others were Harry T. Stapler of Hamlin, Johnson Lamar Smith and Phil Allen Dawn of Stamford and Samuel Monroe Boston of Abilene. All are free on bond but Boston, who is in the Jones County Jail.

Joe H. Taylor of Graham was indicted on a charge of removing mortgaged property. He is in the Army and stationed at Biloxi, Mississippi, according to Sheriff Dave Reeves.

Hamlin Rotarians Go To District Meeting

Attending a district Rotary information meeting last Friday at Mineral Wells were J. E. Patterson, president of Hamlin Rotary Club, and Bowen Pope.

Principal speakers at the conference were Jerry Debenport of Odessa, international councillor, and Arch Evans of Stephenville, governor of District 186. About 35 clubs in the district were represented at the meeting, Patterson said.

RETURNS TO TECH.

John Adams, son of Mr. and Mrs. Seth Adams of Hamlin, has returned to classes at Texas Technological College at Lubbock, where he is classified as a senior student.

WILL IT BITE?—Little Romie Henderson of Brady cautiously peeps around from the side as Ira Hester poses with a rattlesnake he killed on his place at Lohn in Northwest McCulloch County. Hester kept the snake cornered with his straw hat until his wife could bring a hoe, and "he surt put up a fight." The snake was 65 inches long and weighed 13 pounds.

Homecoming Plans Making Headway

Early indications are that the first annual homecoming of ex-students of Hamlin High School on October 14 will be a marvelous success according to Mrs. Bill Harbert, general chairman for the get-together.

Good response from former students living away from Hamlin, who are indicating that they will be on hand for the get-together, may require upward revision of anticipated crowds, Mrs. Harbert declared Wednesday.

Postal cards were being mailed to scores of ex-students as the addresses were being assembled by local acquaintances and relatives.

First P-TA Meeting of Year Set Thursday

First meeting of the Parent-Teacher Association for the new school year will be conducted next Thursday evening, September 22, at the Primary School cafeteria, it is announced this week by Mrs. D. W. Stell, secretary. Meeting time will be 7:30 o'clock.

P-TA officials urge all parents of school children to attend the gathering. "Come and meet your child's teacher and also our new superintendent and other new teachers in the school," they admonish.

Regular Schedules to Be Resumed at Schools

Regular class schedules in the Hamlin Schools will be resumed Monday, September 26, it was announced Wednesday by Superintendent Foster Cook. A "hot weather" schedule of early take-up and dismissal has been followed since the start of school.

Under the new schedule classes at high school will begin at 8:30, last till 12:15; then resume at 1:00 and dismiss at 4:00 o'clock. In the grades classes will begin at 8:50, last until 12:00 noon; then resume at 1:00 p. m. and dismiss at 4:00.

Return cards and letters were coming from several states. Members of the classes dating back to 1920 were giving splendid cooperation in locating the former classmates, committee-men said.

Program for the gathering, too, was being shaped as the meeting date approached, which will be four weeks from today (Friday).

As previously announced, the ex-students will register at the Hamlin High School beginning at 2:00 o'clock. Mrs. Joe Wayne Carter will be in charge of the registering. Incidentally, Hamlin area ex-students are urged to start registering early, beginning this week-end. They may register at the principal's office at the high school.

After registration October 14, the group will organize at a session in the high school auditorium. Arrangements for annual get-togethers will be made.

At 5:00 o'clock a barbecue supper will be staged for the exes at the concession stands in the football field. Plates will be \$1, and will be provided by Underwood's of Abilene.

Climax of the homecoming will be the football game at 8:00 o'clock between the Pied Piper and the Spur Bulldogs.

Between halves the Homecoming Queen will be crowned. Mrs. Austin Poe is in charge of the queen's race and coronation. The queen will be selected by student vote from the four high school class queen nominees.

Following the football game, a reception for the ex-students will be conducted at the high school cafeteria. Mrs. O. D. Roland is chairman of the reception committee.

HOLMES TO MCMURRY.

Jimmy Holmes, son of Mr. and Mrs. M. F. Holmes of Hamlin, left this week to begin his studies at McMurry College in Abilene. Jimmy's name was not included in the recently published list of area students leaving for college.

Up to Inch of Rain Follows on Heels Of Wind and Dust

Hamlin's own hurricane, whom we shall call Sandy because of her mode of dress, swooped down on this section Saturday evening about dusk before folks could say "Jack Robinson," and left in her wake minor damage and filthy premises.

A wedge for a cool front and showers of rain, the wailing sandstorm came out of the northwest, bearing parts of several counties no doubt on her wings, and dumped the dust and sand in homes and cars and businesses before the people knew there was soil on the move.

The high winds toppled scores of TV aerials, blew in several picture windows in residences, and bashed in at least three plate glass windows in the business district. Windows of Branscum Upholstery Shop and Gene Prewit Motors were demolished.

On the heels of the wind and sand a shower of rain fell to stop the soil movement, but add dirty streaks to windows, cars and buildings.

Rainfall at Hamlin measured .46 of an inch at the city pump station, according to the government rain gauge there.

Regions around Hamlin received more rain. Neinda, six miles south of Hamlin, got an inch of rain. East of town from half an inch to an inch fell. North and west of town the moisture measured from a quarter to three-quarters of an inch.

Amarillo Contractor Bids Low on Freeway

Low bid of \$810,112.68 was submitted by Ivan Ement of Amarillo on the Abilene to Anson four-lane freeway on U. S. Highways 177 and 83, according to a telephone message late Wednesday to The Herald from Jake Roberts, District 8 highway engineer.

The bid covered grading, structures, culchase base and surfacing of the freeway from the Taylor-Jones County line, just north of Abilene, to Anson.

Roberts said the bid, which was the lowest of 10 submitted for the job, was the third largest construction job ever awarded in the district.

Who's New This Week

Five new citizens have been recorded at Hamlin Memorial Hospital since last report in The Herald. Two girls and three boys, they are:

A girl for Mr. and Mrs. Paul Carlan, who arrived August 31 at 4:35 p. m. Weighing eight pounds three ounces, the little lady will answer to Paula Deenee.

A girl for Mr. and Mrs. Floyd Tallent of Aspermont was born September 1 at 10:20 p. m. She tipped the scales at seven pounds two ounces, and accepted the name Brenda Elaine.

A boy for Mr. and Mrs. Billy Gene Stewart of Abilene discovered America September 3 at 8:25 p. m. The heavyweight of the new arrivals, he balanced the scales at nine pounds four ounces. He has been named Billy Gene Jr.

A boy for Mr. and Mrs. Clyde E. Pruitt of Hamlin was born September 7 at 12:20 a. m. After having his weight checked at eight pounds three ounces, he was labeled Oscar Lee.

A boy for Mr. and Mrs. E. T. Gibson of McCauley arrived September 9 at 9:35 a. m. He will come when one calls Eddy Wayne. He weighed eight pounds six ounces at birth.

 rected, gladly and promptly, upon its being brought to
 the attention of the management.

SHALL WE REVIVE CHAMBER OF COMMERCE?

On the Good Ship Community not everybody can steer, but we can all stoke the furnace—and it takes this, too, to keep the ship afloat.

Home town business—and you are a part of it—needs a service station where it can refuel with ideas if it is going to stay on the road that is going somewhere.

Business needs a spokesman who will speak out in the name of partners and competitors alike for freedom of enterprise and all-round fair play.

Business needs a friend who can and will keep an eye on how things are done elsewhere and bring home the experience that has done the job in the other man's town.

Business needs a salesman who can sell, not merely ships and shoes and sealing wax, but business itself—sell it in a day when every business is under fire and every practice questioned.

Business needs a good angel to remind it daily that the entire area has an investment

in the home town—a priceless investment of faith and good-will.

Business needs, today more than ever, a monitor to aid in its responsibilities as an employer—to help to create new jobs, and better living standards.

Business needs a promoter of human values—those things which make our community a better place to live in, a happy and attractive place for our outside friends and neighbors to visit.

Business needs a point of view from which to take the long look—the look ahead.

Your Chamber of Commerce is the only agency which tries to do these things, or which can possibly do them, therefore—business needs the Chamber of Commerce and the Chamber of Commerce needs you.

Yes, a Chamber of Commerce is sorely needed in Hamlin. Let's get busy and revive that institution, and make our community a bigger and better one!

How to Get Things Done

There are two ways to get things done—one is through the use of force, coercion and threats; the other is to offer incentives and high hopes. A good example of these diametrical opposites is found in oil production in this country as contrasted with Russia.

Searching for oil is a long-shot proposition. The great majority of wells drilled in new territory turn out dry and worthless. One Texas oil man has actually sunk 196 dry holes in a row. But he's still working and still hoping. For, if the dream of a big strike is realized, he'll be able to reap a good profit in return for the time and money and labor he expended, and the risks he freely took.

In Russia, according to a Soviet geologist who escaped to this country, it's a criminal offense to fail to strike oil. Under Soviet law, a geologist who brings in a dry hole can be, and sometimes is, packed off to forced labor in Siberia.

How do these two systems of getting results work out, comparatively speaking? Here's the answer: American oil men produce close to 6,500,000 barrels of crude oil daily to Russia's 1,000,000 barrels. Putting it another way, we produce 46.3 per cent of the world's oil, while Russia together with all her satellites produces only 11.5 per cent.

You can make a man work by putting a gun in his back—but you'll always get minimum results. Prison labor is less productive than free labor. And that's why an economic system based on free enterprise—on getting results by voluntary action spurred by inducements—is always far more productive than a system based on the power of government to order men and women about.

Heroic Eating in Russia

The United States farmers touring Russia probably don't think of themselves as heroes. Yet they ought to receive some sort of medal for heroic conduct at Soviet lunch and dinner tables.

Around 3:00 or 4:00 o'clock in the afternoon, after hours of trudging about on a collective farm, they are brought in for "lunch." They are confronted with a table of which farm girls have loaded such appetizers as caviar, river carp, salmon, potato salad, cold roast beef and ham.

Sounds fine? It's only a beginning. Comes the main course—chicken, veal cutlets or maybe shashlik. Also of fried potatoes and salad. Also, to wash it down, vodka, champagne, beer and wines. And dessert—maybe a Ukrainian cherry delicacy called vareniks, with ice cream, piles of fruit and sugar buns.

Repeat day after day, not forgetting to drink plenty of toasts to Soviet-American friendship. It's no wonder the Americans are beginning to cry uncle, or Tovarich, or whatever it is you cry in Russia when you've had more than enough!

How About You?

Is your health your hobby? Are you determined to live to be a hundred years old by eating a scientific way?

Some time ago the calorie fad upset the food habits of 100,000 homes. A piece of chocolate was worth more than half a fried chicken. So what happened? Every night we had plates full of calories, but nothing to eat. Later, someone decided that along with calories the human system needed roughage. It helped to fill up the hollow places. Then someone dug up the vitamin. Many foods which were rich in calories were absolutely poverty stricken from the vitamin standpoint. Now, in addition to calories and roughage, you get A, B, Cs and Ds.

I don't want to live to be one hundred. I am going to eat green and yellow vegetables (raw, cooked, frozen or canned), tomatoes, cantaloupes, pineapples and strawberries; some milk, cheese and ice cream; meat, fish, poultry, eggs, butter and nuts. I want to live to be as old as Methuselah.

He ate whatever he found on his plate, If it was a few vitamins shy; And he never stopped for a calorie count, When devouring a piece of pie. He ate whatever meat he could get— The results were the least of his fears; He did not eat by a scientific rule— And he lived nine hundred years!

Editorial of the Week

HOUSTON LOOKS BAD

The shuttling of the Indian ambassador to the United States into a segregated dining room at Houston International Airport recently is one of those international incidents at once illuminating and disastrous.

One thing is certain: Houston looks bad.

The incident is tailor-made for the Communists. What better piece of propaganda could have been handed them on which to plunk away again on the old refrain of race discrimination? The ambassador is one of the few Indians now in this country who is very firmly pro-American. The incident must be regarded as a score for Communism in its war for the minds of Asians.

Mayor Hofheim's conduct in the matter also raises other questions. After apologizing to the ambassador, he announced that the employee had really been giving him the VIP treatment. It would have been far more tactful to accept the employee's account of the matter, make it public record, and add that the apology still stood because of the whole matter.

The apology was in order, not only to the Indian, but to every Negro in Houston. Why is it worse to discriminate against an Indian than against a Negro? It was made much of because we don't want the world to think we discriminate in this country; but the cold fact is, we do.

What better illustration could we have of discrimination's folly?—The Texas Observer.

RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald

TWENTY YEARS AGO.

Happenings in the Hamlin community 20 years ago included the following, reproduced from the issue of The Hamlin Herald dated September 13, 1935:

Viva Milstead, teacher in the primary school, has been a patient in Hamlin Hospital for several days, but is some improved.

Mr. and Mrs. O. L. Henry returned last week from a trip to Monterrey and Saltillo, Mexico.

L. R. Rose and W. W. McCown announce the opening of a new cleaning and pressing establishment.

Grocery prices advertised at Safeway include: Grapes, five pounds for 17 cents; Airway coffee, 17 cents pound; loin or T-bone steak, 19 cents pound; bread, 10 cents loaf.

Total of 786 students were enrolled in school that opened this week, according to C. G. Green, who said this was a record enrollment.

Many projects under the Works Projects Administration (WPA) have been approved in Jones County, including sanitary sewer system repairs, street paving, lake dam repairs and swimming pool for Hamlin. Federal funds will supplement local funds in the projects.

A son was born to Mr. and Mrs. E. M. Bates Monday, September 2. He has been named Bennie Maurice.

TEN YEARS AGO.

Among news items of interest in the Hamlin community 10 years ago were the following, reprinted from the issue of The Hamlin Herald dated September 12, 1945:

Edwina Gilbert left Tuesday for Dallas to visit friends before going on to Madison, Wisconsin, where she will attend the University of Wisconsin.

L. B. (Red) Howard, new coach at Hamlin High School, is whipping the Pied Pipers into a formidable football aggregation. He is being assisted by Marvin D. Carlton, assistant coach.

Total of 736 students have been enrolled in the Hamlin school, according to new superintendent I. R. Huchingson.

Mr. and Mrs. Jesse Garrett are announcing the birth of a daughter, Charlotte, at the Stamford Hospital on September 12.

Central Avenue has this week been given a black topping by the Texas Highway Department, making the street look up-town.

Attorney C. P. Chastain was rushed to Dalals last week for an operation. He was accompanied by his son, Dr. Claud H. Chastain. The elder Chastain is doing well following the operation, it is reported.

Ross E. Emith, son of R. I. Smith of Hamlin, was fatally burned near Edinburg, at an oil well he was helping to drill.

FIVE YEARS AGO.

Goings-on in the Hamlin community five years ago included the following, which are reproduced from the issue of The Hamlin Herald dated September 15, 1950:

Stamford's Bulldogs defeated the Hamlin Pied Pipers 8 to 0 in their tilt last Friday night. A last quarter drive by the Bulldogs accounted for the touchdown and safety.

President Wesley Nail of the Hamlin Junior Chamber of Commerce announces that a group from the Sweetwater Jaycees will meet with the local organization Friday noon at the luncheon session.

Jones County war veterans, according to Landon V. Davis, have received \$1,873,312.32 from claim and pension claims filed from December 1, 1947, to August 1, 1950, and Mrs. E. E. Carroll of Hamlin last Tuesday in a church ceremony at Holyoke.

ONE YEAR AGO.

News items of interest in the Hamlin community a year ago included the following, which are reprinted from the issue of The Hamlin Herald dated September 17, 1954:

Jones County has been certified for emergency feed loans as a means of relief from the long drought that has plagued farmers of the section.

Cotton in the Hamlin section is turning out better than was first predicted. An estimated 4,500 bales predicted now for the four gins at Hamlin, Neinda and McCaulley.

Rev. J. S. Sheppard has resigned the pastorate of Calvary Baptist Church in Hamlin after a ministry of more than two years. He will continue his studies at Jacksonville Baptist College.

Postmaster Points to Letter Writing Week

People of the Hamlin territory are reminded this week by Postmaster Perry Sparks that the week of October 2 through 9 is National Letter Writing Week.

"This is an ideal time to remember old friends and relatives with letters whom you are not in the habit of writing regularly," Sparks declares.

GUILTY FEELING.

In Bucharest a native was muttering to himself as he shuffled along: "Those dirty, rotten, stinking, low-down, no good so-and-sos."

A heavy hand fell on his shoulder. "Come along, you are under arrest for treasonable utterances against the authorities."

"Why, I never ever mentioned them," protested the citizen.

"No, but you described them perfectly," said the officer as he led him away.

Jones County Baptists Meet Tuesday At Hawley in Annual Business Meeting

Members of Baptist churches of the Hamlin area, as well as the remainder of Jones County, are preparing to attend the annual meeting of the Jones County Baptist Association, to be held next Tuesday with the First Baptist Church at Hawley.

Reports of the closing year's work will feature the business session of the annual gathering.

Complete program for the day and night session follows:

9:30 a. m.—Song service directed by Ed Wiggins, educational director of the First Baptist Church at Hamlin.

Devotional, James Andrews of Tuxedo.

Organization—Seating of messengers.

10:00 —"Woman's Missionary Union," Mrs. Houston Walker of Hamlin.

10:20 —"Cooperative Program and Stewardship," J. R. Swindell of Stith.

10:40—"Orphanages," E. J. Gregory, Mexican Baptist Orphanage at San Antonio.

11:05—Miscellaneous business.

11:15—Special music.

11:20—District Secretary's Report, Lawrence Trott of Abilene.

12:00 noon—Lunch.

1:15 p. m.—Song service directed by Rod Latta of First Baptist Church at Stamford.

Devotional, Gene McCombs of Lueders.

1:35—Training Union Report, Mrs. W. T. Gambill of Stamford.

2:05—Business session: Treasurer's Report, C. N. Bennett of Anson.

Committee on Budget and Finance, James N. Easterwood of Anson, chairman; C. N. Bennett, C. S. Parker, W. L. Boyd and Jake Armstrong.

Committee on Time, Place and Preacher, James Andrews, chairman; J. H. F. Jones, Ida Bell Curry, J. D. Mabry and Calvin Knight.

Committee on Calendar of Activities, Rod Latta, chairman; Joe Breed and Johnnie McBroome.

Committee on Digest of Letters and Statistics, Edna Cullum, chairman, and church clerks of the association.

Committees on Resolutions, Bill Crafton, chairman; J. R. Swindell, Fred Leverts, George Caffey and James Renfro.

3:05—Congregational song.

3:10—"Evangelism," Bill Crafton of Trinity Church, Stamford.

FIRST TO CORRECTLY IDENTIFY last week's Mystery Farm picture in The Herald was Mrs. R. E. McCormick. The aerial view (above) is of the Dudley Lewis place, eight miles northeast of Hamlin. Containing 1,016 acres, the place is devoted to the raising of feed, cotton and Shorthorn Hereford cattle. Originally settled by the Swenson Land & Cattle Company, it was first put under the plow in 1912.

Phone Company Has Open House For Many Visitors

Total of 670 registered for the open house conducted August 25 and 26, from 6:30 to 9:30 p. m., by the Southwestern Bell Telephone Company plant at Hamlin.

Visitors entered the commercial department of the telephone company with Mrs. Lennie Cochran, service representative, presiding at the register. George Beard, commercial manager, was in charge of voice recording.

E. W. Anderson, wire chief, greeted the guests in the plant department, and Mrs. Jo Riddle, clerk, showed service order reports and line books. Melvin J. Scott and H. K. Wilson showed the equipment, and Wilton Hayes presented the tick-tack-toe machine.

Mrs. Clota Mae Tegart, chief operator, met the guests in the traffic department, where Louise Proctor, evening chief operator, and Rosa Lee Scott explained the switchboard and the traffic department. Also present was Dunkin R. Davidson, district traffic superintendent of Abilene.

The visitors were then invited into the candle-lit lounge for refreshments of bell-shaped cookies and punch ladled from an attractive Southwestern bluebell constructed of styrofoam with blue tapers. Deep blue napkins and cut work cloth completed the table decor. Those serving were Mrs. Frances Boll, Mrs. Oletha Waldrop, Mrs. Virginia White and Bobbie Bruner.

On the outside of the building the installer's truck was explained by F. E. Turner; the construction truck by Bob Summers and Dalton Hornsberger; the cable repair truck by Bill Schyles; and the mobile radio by Jim Pollack.

Pot plants and floral arrangements, which were presented by business firms and local customers, were in abundance throughout the building.

W. L. Boyd Tells Lions Club About Visit to Holy Land

Although he has spoken at several public functions since his return from Europe and the Near East, W. L. Boyd found new material to talk about Tuesday at noon when he spoke at the luncheon meeting of Hamlin Lions Club at the oil mill guest house.

Telling principally about the spots of interest visited by Mr. and Mrs. W. C. Russell and him in the Holy Land, Boyd declared that theirs was not exactly a sight-seeing tour but an experience in a sacred territory about which the Bible had told him much in previous years.

Among the high points of interest visited, Boyd explained, were Joppa, Mt. Carmel, Caesarea, Tel-Aviv, Valley of Jezreel, Valley of Babylon, Nazareth, Tiberias Sea of Galilee, Capernaum, Jerusalem, Mt. Olivet, Bethlehem, the Jordan River and the Dead Sea. He told of the Biblical significance of many of these places in his talk.

Besides Boyd, other guests at the Tuesday noon luncheon were Dr. John B. Majors, optometrist; Office Closed Thursday Afternoons; Office Telephone: 2653; Residence Telephone: 4509; SWEETWATER, TEXAS.

Mystery Picture Identified by Mrs. R. E. McCormick

Mrs. R. E. McCormick was the first of a score or more who correctly identified last week's Mystery Farm picture printed in the Herald. She will receive a one-year subscription to Your Home Town Paper.

The picture was an aerial view of the Dudley Lewis place, seven miles northeast of Hamlin. Originally a part of the Swenson Land & Cattle Company holdings in that area, the place has been owned by H. B. Lewis and Dudley Lewis for 15 years. It was settled by the Swenson interests, and was first put under the plow in 1912.

Besides the property which he owns, Lewis has more acreage under lease, making a total farming area of 1,016 acres. This year he has 230 acres devoted to cotton, 221 acres in wheat, 525 acres in sudan and hegar and 40 acres in grass.

Besides his money crops, he is raising a herd of registered Shorthorn cattle on the place.

Mr. and Mrs. Lewis were married in 1927. She is the former Isabelle Donlin. They built the house they occupy in 1947.

Lewis is an active member of the farm bureau. He has practiced modern soil and water conservation measures, having traced the place several years ago.

Methodist Men Attend Conference On McMurtry Fund

Three men from the Hamlin First Methodist Church attended a Stamford District meeting Monday evening at Stamford in the interest of the McMurtry development fund. Attending were L. H. McBride, Austin Poe and Rev. Darrell L. Egger.

McBride is co-chairman of the Stamford District for the McMurtry development project, and he was the presiding officer at the dinner and business meeting.

A goal of \$50,000 was adopted for the Stamford District. This will be a three-year project in which payments will be made for the erection of a new classroom building and a new girls' dormitory. The project for the two buildings will cost about \$800,000. The Northwest Texas and New Mexico Conferences are securing the funds necessary for the buildings.

Dr. Gordon Bennett, vice president of McMurtry and former Hamlin school superintendent and business man, was the speaker for the meeting. He stated that this year's enrollment will be the biggest in the history of the college and will probably exceed 900 students.

John W. McShane of Morrill, Louisiana, and James T. Spencer.

Army Reserve Offers Six-Month Program

Under the new reserve act of 1953 qualified young men are eligible to participate in a six-month Army training program in the United States Army Reserve. Plans are currently underway to conduct training under this program at Fort Bliss, Texas, and Camp Chaffee, Arkansas, depending upon the reservist's branch assignment. Fort Sam Houston, Texas, will also be the location of a training camp in 1956.

Interested persons may obtain additional information by contacting the United States Army Reserve Training Center.

The Herald's Page for Women

Pioneer Members of Methodist Church Women's Organizations Recognized

Lula Fletcher was recognized as the only living charter member of the Woman's Missionary Society of the First Methodist Church, when members of the Woman's Society of Christian Service met Monday afternoon to celebrate the fifteenth anniversary of that organization.

Miss Fletcher became a member of the early woman's organization in 1907 when it was organized.

Mrs. V. V. Anderson was leader for the day's program. Mrs. Elmer Hawkins bought the devotional. Mrs. A. A. Hackley gave the origin of the WSCS, which is the largest organization of Christian women in the world. Mrs. Darris Egger sang a solo, accompanied by Mrs. Brad Rowland Sr.

Besides Miss Fletcher, other pioneers recognized at the session were:

Mrs. C. T. Yates, who was a charter member of the women's society at Neinda church; Mrs. W. H. Parker, who has belonged to the organization for 44 years, first joining at McCaulley. All three of the women told interesting things about the early days. An interesting note was how women of other days raised money to raise money for worthy causes.

A cut-work cloth was on the tea table, which carried a centerpiece of flowers and candles. A motif of blue and gold was carried out in the decorations.

Cake and punch were served to 35 women who attended the Monday gathering.

New Officers Elected For Coming Year by Junior 4-H Club Girls

New officers for the coming year were elected when members of the Hamlin Junior 4-H Club met last Thursday. Joyce Smith, the outgoing president, called the meeting to order.

Officers named were: Linda Bingham, president; Lynn Ann Miller, vice president; Sandra Smith, secretary; Mary Smith reporter.

Mother's named to assist the girls were Mrs. Milton Smith, Mrs. Ray Johnson, cooking counselors; and Mrs. Grady Smith and Mrs. Earl Smith, bedroom arrangement counselors.

The club will meet again for their regular meeting on the fourth Wednesday of this month which is September 28. All girls interested are invited to attend the next meeting.

Never ascribe to an opponent motives meaner than your own.—James M. Barrie.

New Pastor and Wife Honored with Shower By Sunset Church

Rev. and Mrs. W. A. Thomas, new pastor of the Sunset Baptist Church and his wife, were surprised with a grocery shower by members of the congregation last Thursday evening.

Supper was served at the City Park at 7:00 o'clock, then the groceries were presented to Rev. and Mrs. Thomas. They expressed their sincere appreciation for the shower.

Those attending were Mr. and Mrs. Calvin Embrey, Donnie and Sharon; Mr. and Mrs. John Pat Collins, Ronnie and Pamela; Rev. and Mrs. W. A. Thomas; Mr. and Mrs. Bobby Ferguson, Cynthia and Robert; Mrs. Clyde Brown, Jerry and Janette; Mr. and Mrs. Willie Allis; Mr. and Mrs. Jessie B. Seifres; Mr. and Mrs. D. A. Brown; Mr. and Mrs. J. W. Griffin; Mr. and Mrs. L. N. Ellison; Mary Lou and Martha; Mrs. Eugene Smith, Danny and Teresa; Mr. and Mrs. Hill Smith; Bobby Seifres, Ruby Campbell, Minna Campbell; Mr. and Mrs. Odis Fry, Aubrey, Joyce, Mary Alice and Duane.

Junior High Pep Squad Organized by Girls

Junior High School Pep Squad was recently organized for the new football season. A total of 62 girls greeted Carolyn McClenney, this year's Pep Squad sponsor. This group consists of 23 eighth grade girls, 22 seventh grade girls and 17 sixth grade girls.

The girls will attend off-town football games under school sponsorship, it is announced.

Cheer leaders elected by the girls are Ann Richey, Joyce Gray, Nell Waldon and Nina Jean. Twirlers elected are Martha Jane Gage, Brenda Fincannon, Janice Richardson and Londa Cavitt.

Hamlin Garden Club Opens Club Year With Tea in Mrs. S. C. Ferguson Home

Hamlin Garden Club opened its 1955-56 club year with a tea in the home of Mrs. S. C. Ferguson Sr. last Friday.

The president, Mrs. W. B. Britton, greeted the members at the door and Mrs. J. P. Morgan directed them to the dining room.

Mrs. Fred B. Moore Jr. poured punch, which was served with individually iced cakes and salted nuts. The table was covered by a lace cloth over pale green and centered with an arrangement of red roses grown by Mrs. C. G. Green and arranged by Mrs. J. P. Morgan.

During the afternoon's program Mrs. Carl Young, chairman for the program committee, presented the new yearbooks. Twenty-four members answered roll call with "My most successful flower." Mrs. W. B. Britton gave as her part "Daisies Tell Me," and Mrs.

Bobbie Bruner Feted At Farewell Party by Telephone Employees

Employees of the telephone company were hostesses to a farewell party given last Thursday for Bobbie Bruner, who is transferring to Lubbock.

Employees gathered at the Hamlin City Park around 8:00 o'clock, where ice cream and cake were enjoyed by all.

Mrs. Clota Mae Tegart, chief operator, presented a sterling silver centerpiece to Miss Bruner, a gift from all employees.

Those present were: Mr. and Mrs. Johnny Waldrop, Mr. and Mrs. Dwayne Stephens, Cynthia and Hollis, Mr. and Mrs. James Stevens, Mr. and Mrs. Kenneth Seifres, Mr. and Mrs. J. D. Cochran, Lennie Dee and Beth, Mrs. Bennie Lock, Mr. and Mrs. Bob Tegart, Mr. and Mrs. E. W. Anderson and sons, Ricky and Buddy, Mr. and Mrs. R. B. Boil and son, Billy Wayne, Mrs. J. B. May and daughter, Sharon Sue, Mr. and Mrs. C. I. White, Mr. and Mrs. Eli Bruner and Billy and Dickie, Richard Bruner, and Pat Fleckenstein.

C. G. Green gave important facts concerning perennials and their culture.

Plans are being made for a flower show to be held in the high school cafeteria on Saturday, October 29.

The club adjourned to meet in the home of Mrs. C. G. Green on October 14.

Xi Gamma Pi Sorority Installs Officers in First Meeting of Year

Members of the Xi Gamma Pi Exemplar chapter of Beta Sigma Phi met in the home of the president, Mrs. Austin Poe, for the first regular meeting of the 1955-56 club year.

Program of the meeting was a formal installation of officers. The installation table was covered by a white satin cloth bearing the Beta Sigma Phi emblem. The centerpiece was an arrangement of yellow rosebuds, the club flower.

Mrs. Poe read the installation service, giving the duties of each officer and presenting to each a chapter manual. Officers were installed as follows: Mrs. Austin Poe, president; Mrs. John C. Bryant, vice president; Mrs. James O. Ballard, recording secretary; Mrs. W. T. Johnson, corresponding secretary; Mrs. Clifford Reynolds Jr., treasurer; Mrs. Weldon Carlton, extension officer; and Mrs. E. J. Hawkins, reporter.

Mrs. M. L. Smith, chairman of the program committee, briefly outlined the year's program, and presented each member a list of programs and meeting places.

Other members present were Mmes. George Poe, C. Weldon Griggs, Jerry Waggoner, Bill Feagan and Toby Williams.

Next meeting of the sorority will be September 22 in the home of Mrs. James O. Ballard.

LUBBOCK VISITOR.

Mrs. W. L. Jackson of Lubbock is a guest in the home of Mrs. W. C. Jackson in Hamlin for a few days.

Area People Attend Oklahoma Reunion

Mr. and Mrs. E. N. Bowen, Mr. and Mrs. R. C. Bowen and daughters, Charlene, Gay and Reba, of McCaulley, and Mrs. Henry Downey and Fayma of Hamlin attended a family reunion at the state park near Ardmore, Oklahoma, Sunday week.

The day of visiting, picture making and a bountiful lunch were enjoyed by relatives from four states—Texas, Oklahoma, Mississippi and Louisiana.

Others from Texas were from Borger, Sweetwater, Anson, Mineral Wells, Irving, Dallas, White-wright, Cooper and Clarksville; and from Oklahoma City, Enid,

Santa Fe Carloadings For Week Above 1954

Santa Fe Railway System carloadings for the week ending September 10, 1955, were 20,855 compared with 20,130 for the same week in 1954. Cars received from connections totaled 11,936 compared with 10,718 for the same week in 1954.

Total cars moved were 32,791 compared with 30,848 for the same week in 1954. Santa Fe handled a total of 35,576 cars in the preceding week of this year.

and Norman, Oklahoma; Ringgold and Shreveport, Louisiana; and Jackson and Philadelphia, Mississippi.

Ruth Sunday School Class Elects Officers For Ensuing Year

Members of the Ruth Sunday School Class of the North Central Avenue Baptist Church met September 1 in the home of Mrs. Ruby Waggoner, with eight members and one visitor present.

Mrs. Woodrow McHugh presented the devotional.

Officers for the coming year were elected as follows: Mrs. V. Madden, assistant teacher; Mrs. Frank Martin, president; Mrs. Herald Lee, vice president; Mrs. Ruby Waggoner, second vice president; Mrs. W. J. Stewart, class secretary; Mrs. D. A. Mullings, reporter; Mrs. Virgie Waters and Mrs. Sid Clay, group captains.

Gifts were exchanged by the members. Mrs. Anderson led the closing prayer.

Cookies and ice cream were served to those present: Mmes. Clay, Virgie Waters, Harold Lee, D. A. Mullings, Anderson, W. J. Stewart and Woodrow McHugh.

Next meeting of the class will be October 6 in the home of Mrs. Sid Clay.

SALAD DRESSING

Who Said You Could Not Hang Wallpaper Over Sheetrock?

Here Are the Facts

1.—New Construction:

1. Tape and float joints the same as you would for Textone and Paint.
2. After 24 hours prime complete surface with one coat pigmented wall primer and sealer.
3. Allow to dry thoroughly.
4. Begin hanging wallpaper as over smooth surface.
5. You may use any quality of paste; however, for the most delicate patterns and colored grounds a plasticized paste is less likely to give you stains and discoloration, for example "Modocol."

2.—Old Work Textone Surface:

1. Sand off high spots with sandpaper or a sanding machine.
2. Remove all loose texture by dusting with a brush.
3. Prime with one coat of pigmented wall primer and sealer.
4. Let dry for 24 hours.
5. Begin hanging as over new work.

3.—Can Wallpaper Ever Be Removed?

Yes. When surface has been primed as stated above, you can use a good wallpaper remover recommended by your local dealer; for example, "Easy Off."

4.—Can the Wall Ever Be Re-Textoned and Painted?

Yes. By removing the paper and proceeding as you would over any new surface.

5.—Does It Require a Skilled Mechanic To Do Work?

Not necessarily, do it yourself! Any home owner that is interested in changing from the simple drab Textone and Paint can do a satisfactory job.

Beautify your home today with the thousands of New Wallpaper Patterns available to you at—

Feeder Calf Sale Nets \$246,716 at Fort Worth; Steady Prices Held by Others

A total of 2,496 feeder calves and yearlings sold in the feeder calf sale at Fort Worth September 9. This was two and one-half times the number at the July sale, according to Ted Gaudy, special market reporter for The Herald, in his weekly release. His letter continues:

The cattle brought consignees a gross of \$246,716, an average of \$98.84 per head. Top prices were \$23 paid for the ground champion pen of heifers by the Wade Plantation of Georgia. Top pen of feeder steer calves were exceptionally heavy, weighing 667 pounds, and brought \$22. They were bought by Wertheimer Cattle Company, corn belt feeder cattle dealer.

Most of the choice steer calves and yearlings sold in the \$20 to \$20.50 bracket, and the better heifers sold mostly around \$17.50 to \$18. Common kinds sold down to \$14 and \$15.

Most classes of cattle and calves drew about steady prices Monday at Fort Worth. Some fed steers were a little stronger, and some sales of butcher calves and stocker calves and yearlings were steady to weak. Top commercially fed steers drew \$23.25, and odd prime yearlings drew \$22.50 to \$25, the latter on a club steer.

Comparable prices: Good and choice steers and yearlings netted \$19 to \$23.50; common and medium, \$12 to \$18; fat cows, \$10 to \$12; canners and cutters, \$7 to \$10; bulls, \$10 to \$12.50; good and choice slaughter calves, \$16 to \$18, a few baby beef heifers higher; common and medium

grades, \$12 to \$14; culls, \$9 to \$12. Stocker steer calves were \$20 down; steer yearlings, \$18.50 down; stocker cows, \$8 to \$13, later on young about three-year-olds weighing close to 800 pounds.

About 157,000 cattle and calves were reported at 12 major markets by the U. S. Department of Agriculture market news office at Fort Worth Monday. Several Corn Belt terminals reported the largest runs since last fall. Fat steers and yearlings were steady to easier three, and most grass cattle were inclined to ease. Popular prices on feeder cattle ranged around \$18 to \$20, with some calves and light yearlings to \$21 and above sparingly.

Good and choice butcher hogs topped at \$17 to \$17.50 at Fort Worth Monday. Top on fat hogs were paid for both meat type and land type hogs, and some butchers weighing up to 160 pounds and above drew up to \$17.

USDA reported that on a recent week the cut-out values of the No. 1 or most type averaged 92 cents above the cut-out values of the No. 3 or land type butcher hogs.

Despite this, salesmen still have a hard time getting slaughter interest to pay the premium that the meat type obviously deserves.

Sheep and lambs opened fully steady to strong at Fort Worth Monday. Top on fat lambs was \$19, and some good feeders sold up to \$16.50. Comparative prices included: Good and choice slaughter lambs, \$17 to \$19; cull, common and medium offerings, \$10 to

Coaches Talk to Rotary Club About Football Prospects

Members of the Hamlin Rotary Club were better football players and boosters following their regular luncheon meeting Wednesday noon at the oil mill guest house. The three new Hamlin school coaches gave attendees some highlights of their athletic programs, especially football.

Head Coach Truman Nix of the high school Pied Pipers declared that he was well pleased with the showing his boys had made so far this season, and said that the Pipers will make a good record during the season. As a side light he recalled earlier days when he was a student at Lorraine and the superintendent, busman, coach and janitor was Foster Cook, now new superintendent at Hamlin.

Jim Herridge, line coach for the high school varsity, voiced satisfaction with his new charges at Hamlin.

Harrell Blackburn, coach of the B string at high school, declared his boys are showing up well, and will be an asset to the varsity when they "come of age." The B string will play several games of their own this season, he said.

Besides the coaches, other visitors at the Wednesday luncheon were F. C. Olds of Abilene and H. D. Norris of Sweetwater.

Rush Plans Made by Beta Theta Chapter At Tuesday Meeting

Rush plans were made for the coming year, with the initiation dinner being planned, when members of the Beta Theta chapter at Beta Sigma Theta met in the home of Mrs. Gerald Young Tuesday to begin the new year of activities.

The program, "The Body Beautiful," was brought by Mrs. Garland Preston, with illustrations of art being shown.

Refreshments were served to Mrs. Brad Rowland, C. W. Olden, Griggs, H. L. McHaffey, Garland Preston, Arlie Cassie, W. F. Martin, Austin Poe, Edgar Boaz, Earl Smith and the hostess, Mrs. Gerald Young.

Next meeting of the sorority will be September 27 in the home of Mrs. Edgar Boaz.

Several Hamlin area people went to Haskell Tuesday to attend the funeral of Mrs. W. H. Crawford, who observed her one hundred birthday August 3. She died Sunday evening at the Haskell Hospital, where she had been a patient for two weeks.

Mrs. Crawford was well known in this area. She was the grandmother of Ovis Crawford, former merchant and Chamber of Commerce manager.

\$16; stocker and feeder lambs, \$14 to \$16.50; medium to good slaughter yearlings, \$14 to \$15; cull to medium yearlings, \$9 to \$13.50; old wethers, \$8 to \$11; old ewes, 4 to \$5; and old bucks, around \$4.

Initiation Ceremonies New FHA Members Conducted at School

Initiation ceremonies for new members featured the meeting Tuesday evening in the high school cafeteria of the Hamlin chapter of the Future Homemakers of America.

Reba Roland, president of the group, told them of their purposes in FHA and handed out the traditional pins. Linda Carlton then took charge of an emblem service. Others participating in the ceremonies were Pauline Mayfield, Judy Haden, Almeta Niedeken, Ruby Campbell, Lusara Dean, Annette Smith and Lavada Toichelman.

The meeting then adjourned to the homecoming laboratory, and the girls were served refreshments.

The newly initiated members are Ginger Bahjahn, Judy Parker, Wynne Conner, Ernestine McWright, Fay Server, Billie Dominey, Barbara Butler, Barbara Waldon, Louise Lakey, Peggy Killian, Carolyn Powell, Glenda Wright, Libby Johnson, Shirley Griffin, Gloria Rodgers, Glenda Hill, Betty Maberry, Nancy Patterson, Pearl Crocker, Vivian Gleichert, Marie Lightfoot, Melba Osborne, Alice Rivera and Lupe Lujan.

Cook-Out Planned for Newly Organized Camp Fire Girls' Unit

A cook-out is planned for members of the recently organized group of sixth grade girls in Camp Fire Girls work, according to the unit's leaders.

The Ska-tani group held its first meeting of the year last Thursday afternoon at the Camp Fire hut in West Hamlin. Mrs. R. L. McClung is guardian of the unit, and assistant leader is Mrs. Truett Black.

Members to date are Velta Hastings, Georgianna Black, Pat Green, Charlene Berry, Nancy Carter, Jo Ellen Glasgow, Carolyn Raye and Thelma McClung.

The group chose for their Indian name Ska-tani, which has for its meaning work, play and accomplishment.

One of the wood-gatherer rank requirements is an overnight cook-out. The group will have a slumber party Friday night (tonight). The evening meal and breakfast will be prepared, cooked over the camp fire and served by the girls.

Officers for the first three-month period were elected as follows: Carolyn Raye, president; Pat Green, vice president; Nancy Carter, secretary; Velta Hastings, treasurer; Thelma McClung, reporter.

The Ska-tani unit will meet regularly on Thursday afternoons at 4:30 o'clock.

Pipers Licking Frostbites as They Face Haskell Tonight

Last Two Defeats Offer No Barrier To Spirit to Win

Still smarting under the drubbing sustained last Friday at the hands of superior Winters Blizzards, the Hamlin High School football aggregation will go to Haskell tonight (Friday) for an encounter with the Haskell Indians of Class A rating.

Coach Truman Nix of the Pied Pipers declares that his charges continue to maintain their spirit to win, and will enter the Indians' tepee with high hopes of victory. Haskell has taken the last two games from the local crew, but the Pipers are forgetting about these beatings as they make the trip to the northeast with confidence in their new plays and their new coaches.

Haskell has a good ball club. Last Friday night they bowed to the Stamford Bulldogs in their opener for the season.

Coach Nix planned to put about the same starting line-up on the field for the Haskell tilt that he fielded in the Winters game. The Pipers came through that tilt with only minor bruises.

1,035 Paid Admissions At Friday Night Game

Paid admissions totaling 1,035 were recorded in the season opening game last Friday with the Winters Blizzards, reported Superintendent Foster Cook Wednesday.

General admissions accounted for an income of \$894. After the officials were paid \$86.40, a net of \$807.60 was split between the two schools.

DISTRICT 4-AA STANDINGS

Things didn't look too well for the member teams of District 4-AA after their first round of grid games last week-end. The standings stacked up like this:

Team	P.	W.	L.	Pct.
Colorado City	1	1	0	1.000
Stamford	1	1	0	1.000
Rotan	1	0	1	.000
Hamlin	1	0	1	.000
Anson	1	0	1	.000

Last Week's Results.

Winters 27, Hamlin 13.
Coleman 26, Anson 0.
Munday 12, Rotan 6.
Stamford 21, Haskell 7.
Colorado City 9, Lake View of San Angelo 0.

Where They Play This Week.

Andrews at Stamford.
Roby at Rotan.
Hamlin at Haskell.
Colorado City at Ballinger.
Anson at Winters.

Junior High Crew Goes To Merkel Tuesday

The Mighty Mice gridders from Hamlin Junior High School will journey next Tuesday night to Merkel for their second game of the season against the Little Badgers.

The game will be a conference game in the junior high school loop, and will start at 7:30 p. m. on the Badger gridiron.

Arrangements are being made to carry the newly organized Pep Squad of girls to supply sideline color, noise and backing for the Mighty Mice, Principal Marvin D. Carlton announces. Carolyn McLenny is sponsor for the Pep Squad.

NOT ON HIS RUN.

"I want a ticket for Florence." Ticket Agent (after 10 minutes of thumbing over railroad guides) "Where is Florence?" "Sittin' over there on the big bench."

Mighty Mice Lose Opener Tuesday to Albany Crew 27 to 0

Hamlin Junior High School's Mighty Mice football aggregation fell before a superior Albany junior team at Pied Piper Field Tuesday night. The final count was 27 to 0.

Coach Harry Martin's junior gridders put up a game scrap, but had difficulty getting an offense underway in the tilt.

Albany boys took advantage of the breaks to score three touchdowns. They converted two intercepted passes into touchdowns and a blocked punt into another marker. The visitors put over a tally in every quarter, adding the extra points to the first three.

Outstanding players for Hamlin were Steve Stephens and Tommy Bond on defense, and Arlon Baize and Billy Hallmark on offense.

DePriest School to Get Athletic Equipment

Purchase of considerable new athletic equipment for DePriest Colored School at Hamlin was announced this week by Foster Cook, superintendent of schools.

The new equipment, which will provide facilities for an expanded athletic program for both boys and girls, includes suits and equipment for basketball, tennis, volleyball and baseball.

Hearing on Passenger Train Cessations Set

Hearing on proposals of the Missouri-Kansas-Texas Railway Company to discontinue passenger train service at three points on their lines in Texas, one of which affects Hamlin, have been set by the Texas Railroad Commission.

The hearings will be conducted at Austin on September 22 at 10:00 o'clock a. m.

Application of the Katy has been filed to discontinue passenger service on the mixed train between Stamford and Rotan, which runs through Hamlin.

"As a matter of fact, you'll find them disgustingly accurate!"

Winters Blizzards Trim Pipers 27 to 13 In Football Season Opener Last Friday

It was a repeat performance for the Winters Blizzards when they came to town last Friday night to battle the Hamlin Pied Pipers—but the visitors had the stuffing scared out of them by a bunch of light-weight gridders before they took the 27 to 13 tilt as the season opener for both teams.

Outweighed 14 pounds to the man, the Pipers pushed over two quick touchdowns in the opening quarter before the weight advantage began to show in power punches at the line.

Winters brought first blood in the first quarter on a 35-yard pass from Quarterback John Pope to Right End Lynn Faubion. Try for extra point was no good.

Left Halfback Doug Ford got away late in the first period to scamper 70 yards for the first marker. His attempt to kick the extra point failed.

Seconds later, after the Pipers recovered a fumble of the kick-off, Quarterback Ken Hewett passed to Fullback Holly Toler, who tossed it back to Hewett, and ran 30 yards for the second touchdown. Ford converted for the extra point.

The second quarter saw the two ancient foes trying hard to rack up more points, but the Pied Pipers held onto their 13 to 6 lead till the half whistle.

Winters scored once in the third and twice in the fourth period.

Dwayne Williams accounted for the third period tally on an eighty-yard punch through the middle of the line. Mack Young added the extra point on a kick.

With four minutes to go, Don Casey went over for the third touchdown for Winters after Don Roach set up the score on the

four-yard spot. Young again booted the extra point.

With five seconds playing time on the board, Don Roach took a hand-off from the Blizzards' quarterback and traipsed for the final score. For the third time Young kicked the extra point.

First downs favored Winters 21 to 13, but the Pipers racked up 241 yards on running plays to 214 for the visitors. The Pipers tried four passes but completed none, while the Blizzards connected with two of five tried for yardage of 50.

District 4-AA Teams Win Two and Lose Three Tilts in First-of-Season Games

District 4-AA football teams opened their 1955 seasons last week with two victories and three defeats, as they parlayed with non-conference foes in tilts that tested the gridders' mettle and provided some basis for computing probable strength in the regular season that will not get underway for a month yet.

Colorado City and Stamford took their opening tussls, while Anson, Hamlin and Rotan were left on the short end of scores.

Colorado City's Wolves, who have been touted as strong for this year, rolled up 13 first downs and 230 yards, but turned in only a 9 to 0 victory of the Lake View Chiefs of San Angelo in a tilt played at Colorado City Friday night. Lake View likewise made 13 first downs, but lacked the punch when scoring chances were presented.

Stamford's Bulldogs and Haskell's Indians staged a rough-and-tumble fracas last Thursday night at Stamford that wound up 21 to 7 in favor of the Bulldogs, after a scoreless first half. Mike McClellan accounted for all three of the Stamford touchdowns after he fumbled four times in the first half. Haskell scored its marker with only 50 seconds to play. The Bulldogs rolled up 13 first downs to only two for the Indians.

Munday outlasted Rotan in a hard-fought tilt at Munday Friday night to post a 12 to 6 win over the Yellowhammers. After Rotan took the lead in the first quarter with a touchdown by G. Bridges, Munday's Wymon Tidwell scored on a five-yard dash in the third quarter, and Glenn Amerson tallied in the fourth.

Fullback John Lewis and Halfback Jerry Cosson played the stellar roles Friday night as they led the Coleman Bluecats to a

26 to 0 victory over the Anson Tigers in the season opener for both teams. Lewis returned a punt for 77 yards and a touchdown in the first period. First downs did not reflect the skunking that Anson took. Coleman piling up 15 to eight first downs for Anson.

After rolling up 13 points in

the first period, Coach Truman Nix's Hamlin Pied Pipers lost a 27 to 13 season opener Friday night on the Piper stadium to its perennial lid-popper, Winters. Too much weight advantage finally accounted for the difference in the score, although the Pipers swept the visitors off their feet with their quick start. Hamlin amassed 13 first downs to 21 for the Blizzards, and rolled up 241 yards on the ground to 214 for Winters.

Second sheets at The Herald.

WHERE OH WHERE

will the wind blow hardest in '55? Our town? Your street? Your house? Wind does terrible damage.
